I do not call for the opinion of the Senior Surgeon in order for appointment or other orders. It is very doubtful if the Medical Officer of the Victoria Hospital can advance the maintenance

CC. I 2087-23

To

T.E. Jeyarama Iyer, Esq., B.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Revenue Department,
Bangalore.

Sir,

1. I have the honour to send herewith a copy of letter No. 766 dated 23rd June 1923 from the Medical Officer of Health Kolar Gold Fields, stating that some indigent patients who were sent to Bangalore Victoria Hospital for antirabic treatment from Kolar Gold Fields area in pursuance of G.O. No. L 6802 Med. 120-22-2 dated 3rd April 1923, returned without -- treatment as they were not paid maintenance during treatment and requesting that maintenance charges may be continued to be paid for the indigent patients sent to Bangalore in the same way as are paid to those who sent to Coonoor.

2. Such maintenance charges are ultimately borne by the Board and were being paid in accordance with the provisions in the Mysore Account Code Appendix XXII. Merely because the place of treatment has been changed from Coonoor to Bangalore there is no reason why the payment of maintenance charges -- hitherto allowed to indigent patients should be discontinued.

3. As such payment is necessary to provide treatment in the case of poor patients, I request you to kindly obtain the -- approval of the Government for the continuance of the existing practice of giving maintenance charges, the Medical Officer in charge of the Victoria Hospital advancing maintenance --

6)

charges to the indigent patients while under treatment and recovering the same on bills from the Sanitary Board.

4. Until this arrangement is approved and in anticipation of sanction of Government, I have permitted the Medical Officer of Health to advance to indigent patients maintenance charges for 8 days at ~~Champion~~ 6 annas per day for days of treatment and at four annas for days of travelling. This may also be approved.

I have the honour to be,

S i r,

Your most obedient servant,

For President,
Sanitary Board,
Kolar Gold Fields.

Letter No. 766 dated 23-6-1923, from the Medical Officer of Health, Kolar Gold Fields, to the Vice President, ~~Sanit~~ Sanitary Board, Kolar Gold Fields.

I have the honour to state that since receipt of Go-vernment order directing despatch of patients for Anti-rabic treatment -to Bangalore and Mysore, instead of to Coonoor, I sent some -- patients to Bangalore, providing them, with necessary Railway Passess. One of them returned untreated and this I subsequently sent to Coonoor. The Comptroller asked my explanation for thus sending the patient to Coonoor and I had to say, that as I could not afford to take any risks, I sent the patient to Coonoor.

Some days ago I sent another patient with necessary Railway Pass. She returned untreated as she found she could not maintain herself in Bangalore without maintenance ~~allo~~ allowances. The -- Victoria Hospital authorities refused to give her any maintenance.

A few days ago I addressed a D.O. to the Senior Surgeon and Sanitary Commissioner explaining the difficulties of patients who were sent to Bangalore, for want of maintenance allowance. I am awaiting his instructions in the matter.

Under article 407(a) of the Mysore Treasury Manual, ~~to~~ the despatching officer has to provide only the following to indigent patients proceeding to Coonoor for Anti-rabic treatment.

(1) A certificate for a free Railway pass to the Railway authorities.

(2) Maintenance charges for the period of forward journey only.

The Coonoor authorities provide return Railway pass and maintenance charges for the period of stay at Coonoor.

The Victoria Hospital authorities have been providing only a return Railway pass but are not giving any maintenance .

In the case of indigent patients the non-payment of maintenance charges leads to hardship, some patients finding it impossible

to stay at Bangalore without maintenance return untreated.

I therefore request you to be good enough:-

(1) To allow me to advance to indigent patients 8 days maintenance charges at rate of Rs . 0-4-0 per day for the journey and Rs. 0-6-0 a day while under treatment,

or (2) to address the Government to pass orders requiring the Institution treating cases, to pay necessary maintenance.

If I am to do the first I request you to be good enough to increase my imprest by Rs . 10/- or to make arrangements to advance money to patients from the Sanitary Board Office on a note from me.

I await issue of early orders as I have to do something for the patients just returned untreated.

" C o p y "

For President,
Sanitary Board,
Kolar Gold Fields.
